

THINGS TO SEE AND DO

There's a pond just south of Uxbridge. We think it must be stocked. The last time we were there, we saw at least half a dozen fishermen (one only four years old), some on the shore, some in boats out in the middle of the pond.

Fishing isn't really our thing, but we had fun wandering around and exploring the pond. There are benches; if the weather cooperates, it wouldn't be a bad place for a picnic.

There's golf, as well. The Foxbridge Golf and Country Club (foxbridgegolf.ca) is south of Uxbridge and east of Main Street. They have an 18-hole course and a driving range. There's also the Wooden Sticks Golf Club (woodensticks.com), located just west of Foxbridge.

The Roxy (roxytheatres.com) may be the coolest-looking movie theatre I've ever seen. It's a bit like a giant, corrugated silo turned on its side. They're showing Iron Man 2 and The Back-Up Plan. Book launch, dinner, movie?

VISITORS' GUIDE

This is a picture of the Uxbridge Tourist Information Centre. Sadly, it won't be open on the day that we need it. That's okay. In the trips I've taken to Uxbridge, I've always found lots to see and do.

This brochure is intended to make life a little easier for those of you brave enough to travel to my book launch from out of town. Thank you!
